Plan of Salvation

Hear - (Rom. 10:14) "How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?"

Believe - (John 8:24) "I said therefore unto you, that ye shall die in your sins: for if ye believe not that I am he, ye shall die in your sins."

Repent - (Luke 13:3) "I tell you, Nay: but, except ye repent, ye shall all likewise perish."

Confess - (Rom. 10:9) "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved."

Be Baptized - (Acts 2:38) "Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost."

Be Faithful - (Rev. 2:10) "Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life."

"And I will set my face against you, and ye shall be slain before your enemies: they that hate you shall reign over you; and ye shall flee when none pursueth you."

An Easy Solution?

A worried woman went to her gynecologist and said: "Doctor, I have a serious problem and desperately need your help! My baby is not even one year old and I'm pregnant again. I don't want kids so close together."

"OK," the Doctor said, "OK, what do you want me to do?" She said: "I want you to end my pregnancy, and I'm counting on your help with this." Her doctor thought for a moment and responded, "I think I have a better solution for your problem. It's less dangerous for you too." She smiled, believing that the Doctor was going to accept her request. Then he continued: "You see, in order for you not to have to take care of two babies at the same time, let's kill the one in your arms. That way, you could rest some before the other one is born. If we're going to kill one of them, it doesn't matter which one it is. There would be no risk for your body if you chose the one in your arms."

The lady was horrified saying: "No Doctor! How terrible! It's a crime to kill a child!" "I agree," the Doctor replied. "But you seemed to be OK with it, so I thought maybe that was the best solution."

The wise doctor smiled, realizing that he had made his point. He convinced the mom that there is no difference in killing a child that's already been born and one that's still in the womb

The sin in God's eyes is the same!

Editors note: The pro-abortion crowd does not like for articles to be published that suggest abortion is murder. They do not want the words; baby, child or any reference to a human life to be mentioned. Murder is defined as; "the crime of unlawfully killing a person especially with malice aforethought." Regardless of what terminology one uses a human life (a person) is killed through abortion. By definition, that is murder. B.D.
